or backstage, only Backstage Parents.

No additional charge will be added for these rehearsals.

Communication:

All questions or concerns must go through the front desk.  
or through email at [gottadancesv@aol.com](mailto:gottadancesv@aol.com).

Absences: **It is imperative that your child makes every attempt to be at all classes.** If they are not feeling well enough to dance, we ask that they come and watch so that they do not fall behind. If they are vomiting or have a fever, please keep them at home. Private lessons may be needed to catch your child up if they are excessively absent from class. This will be at your expense. Continual absences may result in removal from recital. A vacation schedule will be posted at the front desk. Please, if you have vacations scheduled write them on the list so that we are aware of those dates you will not be attending class. Any vacations that are not on that list by the close of Saturday, April 6<sup>th</sup>, will be considered an unexcused absence. It is important that all children be at their class to work on their routine each week. Staging and formations are a vital part of their dance and when children are missing it causes undue stress on the children that are in attendance.
